

ABOUT ME

Passionate Producer experienced in taking creative content from development through delivery. Equally logistic and creative, I am adept in overseeing all aspects of production and effectively managing pre-production, production, and post-production teams. My greatest strength as a producer is my ability to create and communicate solid plans, but always being ready and able to pivot quickly when needed.

RELATED WORK EXPERIENCE:

2026 – PRESENT | FREELANCE PRODUCER/LINE PRODUCER

Recent Projects include:

Line Producer | LET'S INVESTIGATE | Children's Show
Producer | 10 THOUSAND REASONS FOR REVENGE | Lifetime MOW
Line Producer | RHYTHM IS A DANCER | Feature Film

2024 – 2026 | PRODUCER | CRAZY MAPLE STUDIOS

I oversee multiple Vertical content projects for the *ReelShort* App. I manage budgets, timelines, vendor contracts, script development, production, and post-production, working closely with in-house and outsourced creative and technical teams.

2021 – 2023 | HEAD OF PRODUCTION | SHADOWBOXER FILMS, LLC

During my two years at Shadowboxer Films, I increased their production slate from four films per year to four films a quarter. I managed the company's schedule and budget, worked closely with teams and vendors for multiple projects. I established a relationship with the National Parks Service and traveled with production teams to multiple national parks for a series of Hallmark films.
