Work Experience:

Freelance Production

Denver, Colorado - San Antonio, Tx

December 2018 - Current

Currently I am producing a documentary cataloging the culture and history of the Marbach area and had my work featured in the San Antonio Express news seen here: https://www.expressnews.com/entertainment/arts-culture/article/New-Marbachumentary-colorful-clear-eyed-look-15566576.php?utm_campaign

The pilot episode was also featured on a free 30 second broadcast on 96.1 now by Russel Rush. Here is an article related to their interest in my work: <https://961now.iheart.com/featured/the-russell-rush-show/content/2020-09-17-marbach-umentary-shows-why-the-west-side-is-the-best-side/>

Producer Internship with Dr. Otañez

Denver, Colorado

December 2018 - March 2020

Helping Dr. Marty Otañez produce his series Getting High on Anthropology through using the Auraria Higher Education Center studio. Utilizing student experience to help create his show, I have been a leader in finding crew that want to maintain and hone the perishable skills learned in TV Studio Production.
