## SUMMARY

---

I am adept at using various camera equipment to capture shots for portraits, concerts, and landscapes. My abilities are also in the field of videography/directing which have helped me grow my skills in both pre and postproduction. With each project I have handled editing / color correcting using various software.

## QUALIFICATIONS

---

### Video Production

Freelance, January 2020 – Present

#### Camera Equipment

- Utilized both Canon EOS Cinema and Blackmagic Cinema cameras.
- Managing lens changes depending on production needs
- Developed creative approaches to video production to create unique and engaging content.
- Calculated proper lighting, shutter speeds, camera distances and shot factors.

#### Audio and Lighting

- I have participated in audio recording using both RODE and Tascam equipment.
- Offered direction to experienced audio technicians on production needs and audio quality reviews.
- For lighting I currently use NEEWER lighting equipment but also have experience with Aputure and GODOX.

### Concert Photographer / Videographer 08/2022 to Current

Resound Presents, San Antonio, TX

- Customized photography strategies based on intended use and client preferences.
- Selected and set up appropriate props, backdrops, and lighting.
- Offered image proofs to clients to choose best photos.
- Edited concert footage using different software to finish product in a timely manner.

### Technical Skills

- Software: Pro Tools, Lightroom and Adobe Photoshop, Studio binder (Storyboarding), and proficient in Microsoft Excel.

### Music Video Directing

Freelance, January 2020-Present

- Orchestrated license agreements for music and footage
- Developed schedules for production, editing, and pre-production (i.e. hiring crew, setting budgets)
- Hands on in editing process utilizing various software.
