

Born in San Antonio, TX Writer/Producer/Director/Photographer, Actress, Fire Performer, Cynthia Bergen has been a participant in the film society since 2009, an which she established her own business "The Vintage Club Stories, LLC". It all started for Cynthia writing short stories that Professors at St. Phillips College, took notice and encouraged her move forward. Shortly after she self-published her first book of Short Stories, based on true life events, The Vintage club Stories Vol I; Dark Cloud, Strange Places, A Dogs Tale, which can be found on Amazon prime, Barnes & Nobles. Local Directors began to become aware of Cynthia's work which progressed to the development of short films. Executive Producer, No Sleep Films, Short and Feature 2014-2024, Collaboration with Writer/Director John Rodriquez.

As of to date I have completed films
Several award-winning shorts, feature
films, and photography series that have
been screened in over 1030 film festivals
all over the world in which several have
gone viral (1 million views). Now Cynthia in
